help with the cost of **childcare**

There are numerous ways to gain help with
childcare fees. Information can be found on

HM Revenue and Customs Tax Credit
Helpline on 0345 300 3900 or visit
www.hmrc.gov.uk/taxcredits to find out if
you're eligible for assistance.

Further to the tax credits
mentioned, most employers give
employees vouchers to pay for
childcare. These vouchers are
usually offered in place of part of
your salary under a scheme
known as salary sacrifice.

employer **supported** childcare (salary sacrifice)

Under this scheme both parents can make huge savings by opting to pay for
childcare by sacrificing some of their salary. These amounts are exempt from
Tax and National Insurance contributions provided they are used to pay for
registered or approved childcare.
