All children learn in specially equipped areas with age appropriate equipment to encourage optimal learning and development under the Early Years Foundation Stage (EYFS) curriculum.

We have exceptional, large, well equipped gardens where children thrive and discover nature and a love of outdoor activities.

We believe that children develop and learn better when well nourished that's why we include all meals in our fees.

Children are provided with fresh food at breakfast, snack time, lunch and tea, prepared fresh daily in our kitchens by our professional cooks.

Menus are carefully created to take into account all food allergens & intolerances with a vegetarian option at all meal times.

Both kitchens have Elite food hygiene status the highest standard you can achieve.
